**Subject: Recycled Water Project –Sharon Heights
SOQ Ranking and Shortlisting Results**

The Statements of Qualification (SOQs) for the above referenced project have been reviewed and evaluated by the District's selection committee according to the requirements and criteria outlined in this Section 6 of the Request for Qualifications (RFQ). The results of this ranking are as follows, from highest to lowest overall rank:

- 1. Overaa Construction / PERC Water**
- 2. Anderson Pacific / Water Work Engineers / Veolia**
- 3. Auburn Constructors / HydroScience**
4. Kiewit Infrastructure West Co. / HDR Engineering
5. Integrated Water Services
6. J.F Shea Construction/ Tetra Tech
7. Ranger Pipelines / Hatch Mott MacDonald

The District has determined that the top three (3) ranked firms, shown in **bold** in the list above, shall constitute the Shortlist for receipt of the subsequent Request for Proposal (RFP). The shortlisted teams will be contacted in the near future to discuss the next steps in the selection process. As stated in the RFQ, all questions/comments are to be directed to Adam Slusser, Engineering Technician at West Bay Sanitary District.

Sincerely,

/S/ - Phil Scott
